The apartment in Haus Pumuckl offers everything that is required for a successful holiday. Bedroom with comfortable beds, space for the children to play, a well-equipped kitchen and a practical sanitary area. From here you can go on a hike along the "Krebsenwandermeile" or a slow trail hike, get to know the Via Paradiso or visit the unique diocesan museum in Fresach with the adjoining stele park. If you are looking for peace and contemplation, the energy mountain Mirnock with its numerous energyplaces or the newly opened Kneipp hiking trail are good opportunities to find this. The energy lines of the Mirnock are connected to the unique Grossglockner and the mystical Kailash.

However, if you prefer the water, you can reach the emeraldgreen Millstättersee in just 10 minutes by car. The deepest lake in Carinthia (140 m at the deepest point) enchants with its clear, refreshing water, invites you to swim, water-ski, surf and go boating.
