conditions

All rooms are equipped with shower/WC, satellite TV, guest refrigerator and hairdryer. Wi-Fi is available throughout the house and is free of charge for our guests. For the cycle path around the lake, 2 bicycles are available for our guests.

Especially children are always enthusiastic about our animals - not for nothing you are on holiday on a farm. Rabbits, ducks, goats, a little pig and many chickens of different breeds can be found on our farm in summer. The cows with the calves are on the alpine pasture in summer and on request we pay them a visit.

The flats are very spacious and consist of a fully equipped kitchen, 2 separate bedrooms and a balcony. We offer our flat guests a pastry service and, on request, our breakfast buffet (May to October) can also be booked.
