## conditions

We give you time to spend your holiday directly on the lake, with stunning views of the crystal clear lake and the surrounding mountains of the Nockberge and the Hochgosch. After you have awakened the first rays of sunshine and crystal clear sea you already motivated to a morning bath, the spirits are awakened and our sun terrace awaits you for breakfast. A rich breakfast buffet with yoghurt, enhanced with regional delicacies, and a freshly cooked egg to your liking, invites you to feast. So you can start the day strengthened and enjoy the impressive holiday variety of Lake Millstatt. You will also find your favorite spot on our exclusive 2000m<sup>2</sup> sunbathing area right on the lake - guaranteed. Whether in the green of our flower meadow - in the deck chair under one of the shady trees with a unique view of the lake and Nockberge, you can enjoy the day and relax properly. The children spend their time at the playground, the sandpit with table tennis, badminton, football but preferably in the water with diving goggles and fins or at the water trampoline. The day will be spent on the covered terrace with a beer or glass of wine and on special occasions, the "Renkentröperl" like to be taken as a nightcap. In a relaxed atmosphere, the experiences of the day will be discussed and the next day planned. As the specialist for fishermen on Lake Millstättersee, we offer everything a fisherman's heart desires! The passion of the hosts - fishing - also makes the guests' hearts beat faster, whether with smoked fish from their own "Selch" or freshly roasted on the charcoal grill - enjoyment exclusively for our Guests.
