

**Ski Carousel around Lake Millstätter See**

## **One Destination – 30 Ski Areas**

Lake Millstätter See, Winter 2022/23

**Those looking to try out new ski slopes every day will find the perfect conditions to do so around Lake Millstätter See. Guests who stay at a Ski Carousel establishment also receive the Top Ski Pass Carinthia & East Tirol, meaning they can enjoy winter in 30 ski areas.**

Lake Millstätter See's location can hardly be topped for winter sports enthusiasts. You can reach a variety of slopes of all difficulty levels in no time at all – from blue to black. Enjoying a different ski area every day is child's play here: if you spend your holiday at one of the approximately 30 Ski Carousel establishments, you receive the Top Ski Pass Carinthia & East Tirol with the room key – your license to 30 ski areas. Resorts around Lake Millstätter See include Sports Mountain Goldeck, Bad Kleinkirchheim, Turracher Höhe, Falkert, Hochrindl, Gerlitzen, Katschberg and the Mölltal Glacier. So the winter holiday can only become a real adventure.

### **Sports Mountain with a view**

Sports Mountain Goldeck has a home advantage – Lake Millstätter See lies at its feet. Its wind-protected and sunny location, enchanting panoramic views of the surrounding three thousand meter summits, the gentle alpine world of the Nockberge and Lake Millstätter See makes this ski area a great choice for families and winter enthusiasts. There is plenty to experience here on and in addition to the 25 km of well-groomed slopes. Dedicated ski instructors get things going in the children's area with magic carpet. Away from the slopes, over 50 hectares of freeride terrain and Snow Park Goldeck provide the perfect space for adventurers. And the "Millet Rise Up Parcours" takes ski tourers up to the summit of the Goldeck at 2142 m above sea level.

### **Tip for families**

Sports Mountain Goldeck is also known as a family paradise because of its tempting winter offers. From 9th January until the end of the season, children up to 14 years of age ski for free if one parent purchases the Goldeck ski pass and the family stays at a winter establishment around Lake Millstätter See.
